About Me

As a passionate and creative professional with 2 years of experience in front-end design and 1 year as a graphic designer, I specialize in crafting visually appealing, user-centered designs. My expertise spans HTML, CSS, JavaScript, Bootstrap, and graphic design tools such as Adobe Photoshop, Illustrator, Premiere Pro, and After Effects. I am also experienced in video creation, as well as shooting and editing photos and videos. With a strong attention to detail and a collaborative mindset, I aim to deliver high-quality designs and user experiences that contribute effectively to any design-driven project
